PREMISE

What is the basic idea for your game?

RESEARCH / REFERENCES

Find 2–3 games or other relevant works.
What can you learn from them? What do you aim to borrow, avoid, or do differently?

WORKING TITLE:

TEAM:

AESTHETICS

What is the intended player experience?

THEME

What is the framing of the game?
What are the most important actions or functional elements supporting this theme?

DYNAMICS IN 30 SECONDS

Describe 30 seconds of the gameplay from the players' perspective.
Focus on their experience and the actions they take.

ELEVATOR PITCH

Describe the game in a few sentences. What makes this an interesting game?
